"Clean Wine™ - Clear Head"

Sonoma Valley, California, about an hour north of the Golden Gate Bridge, is one of the best places in the world to grow Merlot. Sonoma's volcanic soil, warm summer days and cool nights are ideal for luscious, full-bodied Merlots.

Deerfield Ranch Winery specializes in fruit forward, extended barrel aged wines that are low in acid and have soft tannins. Robert Rex, one of Sonoma's best winemakers, is on the cutting edge of the Sonoma style and Clean Wine™ techniques.

@MERLOT is a blend of the Bordeaux varietals: Malbec to enhance the black berry flavors at the back of your palate, Cabernet Sauvignon to give it a long finish, Cabernet Franc to give it lift and Petit Verdot to fill in the bottom palate.

75% Merlot, 12% Malbec, 6% Cabernet Sauvignon, 4% Cabernet Franc, 3% Petit Verdot. Alc. 14.6%; T.A. 6.2g/L; R.S. 0.4g/L (classified dry). Barrel aged 38 months in 40% French and 60% American oak, barrels were two to four years old.

Free SO2 at release less than 12 ppm. Low histamines.
